EQUALITY AND DIVERSITY STUDENTS/PARENTS POLICY

1. Introduction

1.1 The Academy recognises that providing equality of opportunity, valuing diversity and promoting a culture of inclusion are vital to creating respectful, positive learning environments where all individuals can flourish.

1.2 This policy sets out the Academy's approach to equal opportunities and the avoidance of discrimination in education. It applies to all aspects of student education with the Academy and aims to ensure that:

- The Academy provides equality, fairness and respect for all and to ensure that no one is unlawfully discriminated against in line with the 9 protected characteristics as detailed in the *Equality Act 2010*
- All students within the Academy community have the opportunities to develop in every aspect of school life to the highest level
- The Academy has a broad and balanced curriculum promoting the spiritual, moral, social, cultural, mental and physical development of its students
- Encourage respect and tolerance for others, their faith, culture and way of life
- The Academy reflects the diversity of the communities in which we work

1.3 The Academy may decide to use the 'Positive Action' clause of the Equality Act 2010, which allows for the setting up of courses specifically for underrepresented groups, such as Afro-Caribbean boys or Roma children.

1.4 The Academy may choose to amend or withdraw this policy at any time.

2. Definitions

2.1 Equal opportunities - emphasises the structures, systems and measures of groups within society and within organisations. Equality of opportunity is about addressing representation and balance.

2.2 Equality - is about creating a fairer society where everyone can participate and has the opportunity to fulfil their potential. It is backed by legislation designed to address unfair discrimination based on membership of a particular group.

2.3 Diversity - is about the recognition and valuing of difference in the broadest sense. It is about creating a working culture and practices that recognise, respect, value and harness difference for the benefit of the organisation and individuals.

3. Responsibilities

3.1 The Academy has a responsibility to promote good relationships and mutual respect. It is expected that every person in the Academy will make a positive contribution to this policy, namely:

- All staff whether paid or voluntary
- All visitors to the Academy
- All students at the Academy
- All parents/carers of students at the Academy

EQUALITY AND DIVERSITY STUDENTS/PARENTS POLICY

3.2 In addition, the Academy will:

- Ensure that the services it provides are accessible to all and endeavour to positively encourage and benefit people from disadvantaged groups.
- Supply reasonable specialist aids and facilities to enable disabled people.
- Monitor any issues that arise within the Academy and take appropriate action, fully supporting any person in the Academy who is faced with prejudice or discrimination.
- Undertake a two yearly evaluation process to ensure that the policy is clear and in keeping with current legislation.

4. Discrimination

4.1 Students and parents/carers must not unlawfully discriminate against or harass other people including current and former employees, fellow students and/or parents/carers. This applies within the Academy, outside the Academy (such as when travelling on school transport) or while wearing the Academy uniform and on Academy-related trips or events including social events.

4.2 The following forms of discrimination are prohibited under this policy and are unlawful:

4.2.1 **Direct discrimination:** treating someone less favourably because of a Protected Characteristic. For example, refusing a student's admission to the Academy due to their religious views or sexual orientation.

4.2.2 **Indirect discrimination:** a provision, criterion or practice that applies to everyone but adversely affects people with a particular Protected Characteristic more than others, and is not justified. For example, requiring that no students wear any headwear may disproportionately affect female Muslim students who wear a hijab. Such a requirement would be discriminatory unless it can be justified.

4.2.3 **Harassment:** this includes sexual harassment and other unwanted conduct related to a Protected Characteristic, which has the purpose or effect of violating someone's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for them.

4.2.4 **Victimisation:** retaliation against someone who has complained or has supported someone else's complaint about discrimination or harassment.

4.2.5 **Disability discrimination:** this includes direct and indirect discrimination, any unjustified less favourable treatment because of the effects of a disability, and failure to make reasonable adjustments to alleviate disadvantages caused by a disability.

5. Complaints Procedure

5.1 Any person (students/parents/carers) who experiences, witnesses or is reasonably led to believe that this policy has not been respected whether by a student or staff member of the Academy or the Academy as a whole, should immediately bring the situation to the attention of their Form Tutor or Head of Year. No individual will suffer any detriment as a result of raising a legitimate worry under this policy.

EQUALITY AND DIVERSITY STUDENTS/PARENTS POLICY

5.2 If any parent/carer of a student at the Academy experiences or witnesses any behaviour from a fellow student/parent/carer on the grounds of the Academy, then they should inform reception staff immediately.

6. Discipline

6.1 Any student who is found to have acted in such a way to have breached this policy may be subject to the disciplinary steps, depending on the severity of the breach, as outlined in the Academy's Anti-Bullying Policy.

6.2 If any parent/carer is found to have breached this policy on the grounds of the Academy then they may be subject to a fixed-term ban from entering the Academy's grounds.

6.3 Staff breaches will be dealt with in accordance with the Academy Your Behaviour Makes a Difference Disciplinary Policy and Procedure. Serious cases of deliberate discrimination may amount to gross misconduct resulting in dismissal.

7. Disabilities

7.1 If a student is disabled or becomes disabled, the Academy encourages them to explain their condition to ensure that appropriate support can be considered and where practicable/reasonable, put in place.

7.2 If a student experiences difficulties at school because of their disability, the student can contact their Head of Year to discuss any reasonable adjustments that would help overcome or minimise the difficulty. The Academy will consider the matter carefully and try to accommodate the student's need within reason. If the Academy considers a particular adjustment would not be reasonable, the Academy will explain the reasons and seek ways to find an alternative solution where possible.

7.3 The Academy will monitor the physical features of its premises to consider whether they might place anyone with a disability at a substantial disadvantage. Where necessary, the Academy will take reasonable steps to improve access.

8. Education

8.1 The Academy is committed to ensuring that all students, regardless of their background, achieve their potential.

8.2 Students should, if they feel comfortable doing so, challenge any discriminatory behaviour and report examples of discriminatory behaviour.

8.3 Teachers are responsible for ensuring that:

- Methods, language, questioning and classroom management includes and engages all students;
- Suitable resources are chosen which motivate and are sensitive to different groups, cultures and backgrounds;
- Stereotypes and what are thought to be stereotypical activities are effectively challenged;
- They are aware of possible cultural assumptions and bias within their own attitudes.

8.4 The curriculum will be planned and implemented to ensure equal participation by students of both sexes in all the elements of learning, knowledge, concepts, skills and attitudes.

ST GEORGE'S ACADEMY

8.5 Throughout every aspect of school life students will be given the opportunity to learn about, and experience, equality and diversity. Opportunities will be presented to them to learn about the community, country and world in which they live so that they can become true citizens of the world.

9. Public Sector Equality Duty

9.1 The Academy is committed to complying with the Public Sector Equality Duty and this policy is a recognition of that duty. As part of its duty, the Academy has committed to the following objectives:

- To plan and deliver a comprehensive Life Skills scheme which will ensure all students have knowledge and understanding of equality and diversity
