	P.E (U)				

1). Students will follow their usual timetable with regard to the rooms they go to. During their lessons they will either sit an examination as per the timetable above or revise for their next examination. 2). Students are responsible for bringing appropriate revision resources / materials each day to school. This should include exercise books and revision resources provided by teachers (where appropriate). **Note:** Computing exams will take place in normal lessons the week following the formal exam week.
