Dear Parent/Carer

## Year 12 Trial Examinations

As you may be aware, in Year 12 we run two separate examination series with students sitting one exam per subject at the end of April, followed by a second exam per subject at the end of June.

The rationale for this model is that it allows Year 12 students to use detailed formative feedback from the first round of exams to enable them to take specific action to address areas for development ahead of sitting their second papers in the summer. These exams provide the best indication of a student's readiness for the transition into Year 13 study and, as such, it is extremely important that students prepare thoroughly for them. Students have been given a copy of the trial exam timetable and for reference we have also placed a copy on the school website under the exams section:

### [Y12 Trial Exam Timetable - April 2024](#)

The first set of trial exams take place during the second week of Term 5, on Thursday 25 April and Friday 26 April, across the Sleaford Joint Sixth Form. You may also wish to note the dates for the June trial exams, which will be Monday 24 June and Tuesday 25 June.

Thank you for your support.

Yours sincerely
