### BEHAVIOUR PROCEDURE

#### 1. Corrective Guidance

All groups should be informed at the start of the year about the procedures to manage behaviour and the consequences of poor behaviour. Students should be informed that they will have a series of opportunities to modify their behaviour and if they do not then they will face the consequences outlined. Go4schools encourages the recording of positive points leading to rewards, however negative points are also recorded.

What the Academy Expects	Examples of Inappropriate Behaviour	Possible Consequences of Inappropriate Behaviour	Who/How Informed
Students to behave well in lessons so that all students can achieve their personal best.	Persistent late arrival to lessons	Sign conduct card	Parents via Planner/phone
	Persistent lack of books, equipment	As above plus warning	Parents via Planner
	Insufficient effort to meet target level/complete work set	As above plus warning, then teacher detention	Parents via Planner and Form Tutor via Go4schools
	Persistent calling out, low level disruption	Step 3 – warnings will have been issued	Parents via Planner and Form Tutor via Go4schools
	Lack of co-operation with other students during a lesson	As above	Parents via Planner and Form Tutor via Go4schools
	Refusal to do set task after encouragement	As above	Parents via phone/letter
	Leaving lesson/campus without permission	Parents to be contacted immediately and interview arranged	SLT
	Rudeness to staff in lessons	Step 4 or 5 depending on severity	SLT/Pastoral Team

## BEHAVIOUR PROCEDURE

NB Planned isolation in departments should not interrupt the teaching within the department. All staff should be aware of the exit procedure rota within their subject area at all times and are encouraged to use them. If the behaviour is seriously preventing the learning of other students SLT should be called to use the Academy isolation system.

24 hours' written notice must be given for detentions after normal Academy finishing time.

### 2. Academy Support Strategies

If inappropriate student behaviour is not corrected by action taken by subject teachers/departments and/or form tutors and is occurring in more than one subject area the Student Progress Managers will take the following action:

- Review available data about the student to ascertain whether the curriculum is appropriate
- Write a Pupil Support Plan, involving parents, SENCO, identifying the needs of the student and identifying the support to be put in place
- Monitor the plan and progress of the student

#### **Restorative Justice Meeting:**

Where deemed appropriate students will attend a Restorative Justice meeting which is made up of teachers and students trained to get relevant groups together to resolve differences. Support could include:

- Attendance Report (Annex E)
- Lesson Report (Annex F)
- Learning Contract (Annex G)
- Homework Monitoring
- TA
- Student Support Key Stage Co-ordinator
- SENCO
- Individual curriculum
- Time in the Leicester Street ( Well-Being Hub)
- Family Support Manager / outside agencies

The implementation of the Academy Behaviour Policy is the responsibility of everyone in our community. The Governors and staff at the Academy will do their best to work with all students, involving outside agencies where necessary.

All issues relating to student behaviour will be fully documented on a student's file, using the Bromcom Conduct and Event Log facilities where appropriate and Pastoral Support Plans drawn up where necessary. Use of Bromcom whole Academy system will be used by teachers to log incidents and actions.

The Governors and staff believe in Social Inclusion. In an attempt to avoid suspensions, internal isolation will be considered first via our isolation unit and Reflection and Resolution Room.

However, if at any stage a student's behaviour is seriously preventing other students from making progress the student may be isolated and educated separately. Use of BOSS interventions to support improvements and use of our Alternative Provision the Acorn Free School aim to avoid a permanent exclusion.

Further guidance and documents related to this policy follow on subsequent pages.

## ST GEORGE'S ACADEMY

### BEHAVIOUR PROCEDURE

---

For students who demonstrate unacceptable behaviour, the following ladder of consequences will be implemented. This consists of three simple rules, Work hard, Show respect, Stay safe

**Ladder of Consequences is as follows:**

#### **Step 1: Reminder**

This is not a reprimand, it is a simple reminder to support the student to adjust their behaviour. The student is not being 'told off' at this point.

#### **Step 2: Verbal Warning**

The teacher will make it clear that the student is now on step 2 and that there will be further consequences if the behaviour continues. If the student does not get beyond step 2 in the lesson then the teacher will recognise and praise the improvement.

#### **Step 3: Formal Warning and Teacher Detention**

This means the student has disrupted learning for a third time. They will be issued with a 15-minute break-time teacher detention. It will be logged on MCAS and the parent will see a sticker in the student's planner with brief details of what happened. This means the parent can support with a reinforced message at home.

#### **Step 4: Departmental Removal and Departmental Detention**

If the behaviour persists, the student will be removed from the lesson to prevent further disruption to the learning of others. They will be required to work in the back of a different classroom and will be issued with a 30-minute after-school departmental detention. Parents will see this on MCAS, on a sticker in the planner and will also receive a phone call to explain the issue. Again, this means parents can support with a reinforced message at home.

#### **Step 5: SLT Removal and Classroom Isolation**

If the student disrupts the departmental removal room, or has a second departmental removal in one day a member of the Senior Leadership Team will remove them and they will be placed in isolation for the remainder of the day. Note that students who display unsafe or highly disrespectful behaviour in a lesson, will go straight to Step 5 without passing through steps 1 to 4. Depending on the incident, this could result in suspension.

#### **Senior Leadership Detention**

In addition to the ladder of consequences, the Academy runs a Senior Leadership (SLT) Detention for 1 hour on a Friday night. Students may be placed in SLT detention for one of the following reasons:

- Missing or full conduct card
- Missing planner
- Failure to attend a Departmental Detention
- Failure to attend a Student Progress Manager Detention

If a student does not attend an SLT detention on a Friday night, parents will be informed and students will be given one more chance to attend before the consequence is escalated to a Parent Escorted Detention on a Thursday from

# ST GEORGE'S ACADEMY

## BEHAVIOUR PROCEDURE

5.30pm – 6.30pm at the Sleaford Campus. A member of the Senior Leadership Team will speak to parents ahead of this consequence to discuss how they can ensure their child attends the second chance at the SLT detention – we want to work together to avoid a student ending up in a Parent Escorted Detention, which should be seen as a last resort in terms of the ladder of consequences.

### Refusal to Comply

All students should follow the instructions of all adults in the school and refusal to do so are dealt with through the ladder of consequences as already outlined. However, the Academy will not accept responsibility for the safety of a student who refuses to follow the instructions of a senior member of staff. As such, parents will need to collect the student and a one-day suspension will be issued. The consequence for this is then followed by a Parental Escorted SLT detention as outlined above.

The VAST majority of our students meet our expectations which makes these negative consequences by no means inevitable. The positive consequences outlined in the rewards section are entirely possible. All students need to adhere to the code of conduct for the sake of the learning environment for all students, but most importantly to improve their own life chances.

We understand that after-school detentions present some parents with some logistical difficulties. It is worth noting that the government states:

	<b>Detention</b>
Department for Education	Schools don't have to give parents notice of after-school detentions or tell them why a detention has been given.

The Academy takes a much more supportive approach with our parent body. Due to our rural setting, we will always give parents 24 hours' notice of an after-school detention. To aid parents in supporting the school by reinforcing the message at home, we will always give parents the reason for the detention and this will be communicated on the consequence sticker and/or by phone call.

## BEHAVIOUR PROCEDURE

### Appendix C - Academy Rewards System

St George's recognises that students do respond to a tangible rewards system and all staff must be seen to reward good work and positive behaviour throughout all years in the Academy. A "Reward Culture" must be visible, particularly in Year Bases and in all Academy Assemblies. House points awarded will count for both Year Group Rewards and House Point Certificates.

Students should receive rewards for the following:

- Classwork/Homework awarded by subject teachers (1 or 2 house points only)
- Classwork can be interpreted in different ways, eg rewarding a group who have cleared away properly as in Art, PE etc
- Community service: for example acts of kindness, collecting litter, supporting friends

House Points are gained if the "Conduct Card" remains blank at the end of a term. 20 points are awarded for a 'clean' conduct card at the end of each term or 1 point for each blank space on card 1 for that term. Successful students are entered into a year group prize draw.

Our Academy reward system is linked to our Academy values:

Respect

Teamwork

Resilience

Opportunity

Ambition

Excellence

Students can collect reward points in one of four ways:

- Day to day in class (1 point)
- Weekly via form tutors (1 point)
- Termly via Student Progress Managers or SLT (10 points)
- At each interim point via Heads of Subject (10 points for one student in each class in each subject)

### Collecting Points

The Academy is named after St George, the patron saint of England and a dragon slayer. Each value has a different dragon, designed by a student through a competition each year.

Each single point receives a sticker and students should aim to cover their exercise books with stickers.

Reaching a certain number of points in each value will cross a threshold and receive recognition as follows:

- 25 points = Dragon Postcard
- 50 points = Student Progress Manager's Dragon Certificate and letter home
- 75 points = Principal's Dragon Pin Badge and letter home

The challenge for the students is to collect them all.

## ST GEORGE'S ACADEMY BEHAVIOUR PROCEDURE

In addition, certificates should be presented for 100% attendance over a period of a term. Certificates for other notable achievements can also be awarded. A record of these should be kept in the student planner and recognised in the Student Record of Achievement.

Positive postcards home are sent termly to inform parents of outstanding effort, work ethic and service to the school.

Overall achievement for attendance, conduct, effort levels and service to the community are recognised by a termly pizza party in each year group.

Students should not be rewarded for good behaviour, as this is an expectation of all students. All staff need to adhere to the guidelines if the system is to be fair to all students and avoid a two-tier system whereby difficult students are rewarded unnecessarily.

Each year group has its own unique reward system which is appropriate to the age group, including suggestions from the student voice. Achievements are celebrated in a termly assembly.

## ST GEORGE'S ACADEMY

### BEHAVIOUR PROCEDURE

---

#### Key Stage Three Year 7/8:

Year council discuss rewards including vouchers/cinema tickets, form prizes etc.

#### Key Stage Four Year 9/10/11:

Students enter a prize draw for attendance, conduct, effort grades, attainment and service to the community on a termly basis. Students agree their reward system with their SPM to add motivation. Year 11 work towards their Passport to the Prom.

#### **Recording/Collection of House Points:**

Our new Bromcom electronic system records all house points. Tutors celebrate results in form time and postcards, letters and badges are awards for our Academy values as they are achieved. Points are cashed in at our Academy Reward Shop.

### Appendix D - Conduct Card for monitoring basic standards

All students will be issued with a Conduct Card at the beginning of each term to help with monitoring and correcting the following basic standards (these standards are printed on the back of the card):

1. Uniform concerns
2. Late to registration or lesson (3 signatures)
3. Eating or drinking in the corridor/lesson
4. Dropping litter
5. Chewing gum/banned items
6. Incorrect equipment
7. Unacceptable language
8. Immature behaviour outside of lesson
9. Out of designated area at lunchtime

The card contains 10 slots. Staff should initial one slot if a student fails to meet the above standards. The card is also to be used to try to improve punctuality. If a student is late, other than transport problems, staff must initial three slots. If a student receives 10 signatures, they will do a one-hour after-school SLT Detention after 24 hours' warning. The final signatory on the card should remove the card from the student and give it to the appropriate Student Support Co-ordinator immediately. A new card will be issued. Failure to produce a card, when asked for, will result in an after-school detention. The appropriate Student Support Co-ordinator must be informed immediately if this situation occurs. Students are given two chances to serve this detention (excluding absence). Failure to do this leads to one day isolation.

At the end of each term Form Tutors will collect all cards and award students who have not had replacement cards and not used all 10 slots the remaining number of slots as House Points.

### Supporting Quality Statements

#### Quality Form Tutor:

The form tutor has a vital role to play in the education of students at St George's. They are pivotal in the student's life at the Academy and are the first point of contact for student support. They are responsible for establishing high standards so that effective learning may take place and responsible for monitoring progress made. Form Tutors work within the Year Group Team under the guidance of the Student Progress Manager.

Form tutors should:

- Get to know their students so that they can offer them advice from an informed position
- Begin each day with a carefully planned tutorial period based on the weekly theme:
  - Welcome the students and take an accurate register
  - Check students are fully equipped for the day, uniform is correct, planners are being used to record homework, any special arrangements are fully understood
  - Attend assembly with the students according to the published rota or work with the form/individuals to help monitor progress and ensure all students aim to achieve their personal best. Student Progress Managers should also be involved when form tutors need time with individual students
- Help the students to understand their targets, monitor progress using termly assessment grades and help the students Action Plan for improvement
- Establish a partnership with parents and make 'phone contact or written contact when appropriate, particularly regarding attendance, punctuality and overall progress
- Keep accurate registers
- Develop a form ethos in line with the Year Group ethos and encourage students to participate fully in the life of the Academy. Support the whole Academy reward system
- Follow up incidents from Go4schools and involve Student Progress Manager when appropriate. Communicate the outcome of student interviews to relevant teachers at the earliest possible opportunity
- Maintain an accurate form folder for filing correspondence
- Check and sign homework diaries weekly. Students who have problems with homework should be referred to the homework club and/or encouraged to work in the Year Base at lunch time
- Follow the agreed scheme for the delivery of Life Skills

The form Tutor is responsible to the Student Progress Manager.

#### Quality Student Progress Manager:

The Student Progress Manager is responsible for ensuring that their Year Group makes the best possible progress through the Academy, in partnership with the team of form tutors.

Student Progress Managers should:

- Be the lead professionals for a team of form tutors
- Ensure an obvious presence in the year base and around the Academy. Visit lessons and monitor progress supporting staff with challenging behaviour and praising students for exceptional work
- Establish a year group ethos and develop the year base as appropriate. Promote whole year group activities including enrichment activities
- Allocate students to tutor groups and work with Heads of Departments to assist with setting for the subjects. Ensure all new students to the year are welcomed and placed in appropriate groups

## ST GEORGE'S ACADEMY

### BEHAVIOUR PROCEDURE

---

#### Appendix H – Reflection and Resolution Room (RRR)

St George's Academy has a RRR facility on each campus. This is a version of a seclusion/isolation room. The aim of RRR is to reduce exclusion/suspension events for individual students and to reduce whole Academy exclusion numbers. The RRR facility is a supportive inclusive behavioural offer within the school grounds.

The minimum number of days in RRR begins with 3 days. Time spent in RRR is constructive. Students access the core curriculum and their work is provided by their teachers as per their timetable. During their time in RRR, students complete a daily reflective journal and often talk through and reflect upon their behaviour. Depending on the reason for RRR; some students also complete relevant bespoke work such as booklets on racism, knife crime etc.

Students work in an individual booth, which has a comfortable chair, resources and an individual PC. Each student has a personal locker in the room for their belongings. The number of students in the room can vary, the maximum is up to 7. There is CCTV in the room for the safeguarding, supervision and support of both students and staff. RRR is seen as a safe space.

The Referral process – a student will be referred to RRR by the Student Progress Manager or Vice Principal – this takes place after a discussion of events and witness statements taken. The student may be isolated for a day prior to going into RRR while the incident is investigated. Each incident is looked at on a case by case basis and a collective decision made by the Pastoral team. Individual student needs must be considered and often reasonable adjustments are made where needed. If a student has TA support for example this must still be present, we do not wish to inhibit the student from learning – equally, we need to address behavioural choices and aim to support a positive change to this.

Communication with Parents/Carers is important to us - in the event of a student going into RRR, a phone call will be made to explain the incident and evidence shared.

The Academy ensures the health and safety of students and any requirements in relation to safeguarding and pupil welfare are paramount. RRR has a trained supportive member of staff employed on each campus. Students get a break from work as per the timetabled day. Students have access to the toilet, to food which is ordered from the canteen and delivered and to fresh air / exercise. If they need a walk / fresh air they will access this at a different time to their peers' break time.

At the Academy our decision to use RRR for various behavioural events is in line with legislation. The punishment must be proportionate and reasonable. Section 91 of the Education and Inspections Act 2006 says the penalty must be reasonable in all the circumstances and that account must be taken to the pupil's age, special educational needs or disability they may have, and any religious requirements affecting them. (Behaviour and Discipline In schools – DfE January 2016 document).
